

# **On Senator Toddy Puller's Retirement**

Since Toddy first took office she has been a tireless advocate for Mount Vernon residents.

Her focus on Veterans, education, families and transportation has made a difference for the better.

Her efforts to provide funding for the Richmond Highway Location and Transit Study will lay the foundation for a Metro extension from Huntington, and for the continued revitalization of the Richmond Highway corridor.

Toddy's pragmatic, bipartisan, grassroots approach to lawmaking made her a success not only with her constituents, but also with her fellow legislators in Richmond.

I wish her all the best in her retirement and look forward to her continued community service and consultation in local matters.
